Hedge Bag	BTRH3	144	90 x 40 x 40	✓	x	4	100	118kg

As a specialist supplier of woven polypropylene sacks, bags and fabrics to industry and horticulture, Beck Group can also supply products designed and manufactured to customer's own specification including bespoke sizes, colours and branding. (Minimum order quantities apply).

To discuss your requirements further please contact us on +44 (0) 1432 263598 or sales@treeplanta.com and our representative will be pleased to provide you with a competitive proposal.

Company Mission

At Beck we are dedicated to personal customer service and strive for customer satisfaction every time.

You will experience a personal, reliable, on-time service with openness, honesty, and financial stability as core values in a long established business.

Many of our products are manufactured from recycled materials, testimony to our commitment to environmental considerations.
